

Home Pilot Study Participant Orientation

RESONA HEALTH

Pulsar XO

- Resonance Frequency Therapy
- No Drugs or Chemicals - safe
- Ultra low energy PEMF
- Makes no (little) sound
- FDA General Wellness Device
- Lots of [supporting research](#)
- Session length 30 min – 2 hour 15 minutes
- 3.5 - hour battery life
- 4 X 2.5 inches, 2 oz, Music Cassette
- How does it work?
 - Resonates with your body's water solution
 - Energizes the cells electrical charge to allow self healing

Pulsar XO

*The frequencies charge
your cell's battery
and massage the cell's
membrane*

Participant Requirements

- Use the device, minimum 3-4 times per week
 - Or as often as you want
 - You can not overdose
- Hydrated before each session
 - 1 liter of water within the preceding 4 hours
- Wear around you neck with lanyard, place in your shirt pocket, or under your pillow
- Complete a pre and post on-line survey
- Watch this orientation video
- Download the orientation slides

Success Tips

- Establish a routine
 - TV, reading, cooking, driving, walking
- Use a consistent charging location
- Turn the volume all the way up
 - Press the + button 5-6 times, it's the button closest to the blue LED
- Time your session if using the Micro SD card
- How do you know it's working?
 - Slow flashing blue LED
 - It gets warm
 - Slight buzzing if held to your ear
 - [Magnetometer app](#)
- Please contact info@Resona.Health with any questions or concerns or if you need help of any kind
- Welcome to test [other protocols](#) in [Bluetooth mode](#) if desired (paired with your phone)

Common Mistakes

- Don't use the device ☹️
- Not asking questions
- Watch for the device in the mail
- Misplaced
 - Store it in the same place each night for charging
- Make sure the Micro USB cable inserted all the way in
 - Blink Red = Charging
 - Solid Red = Fully Charged
- Gently insert the Micro SD card correctly – don't force it
